

MULTIPLE DWELLINGS AND METERS

I. OBJECTIVE

To define the policy covering multiple dwellings and multiple meters.

II. POLICY

- A. One meter shall serve only one family. In the event more than one family lives in one building (i.e., an apartment complex, duplex building, etc.), one meter shall be connected for each family.
- B. In the event a member desires service connected at several meters, the monthly minimum charge will be due on each meter.

III. RESPONSIBILITY

- A. President & CEO
- B. VP of Energy Services
