

RELOCATION OF FACILITIES

I. OBJECTIVE

To provide for the reimbursement of all costs incurred by the Cooperative for the relocation of facilities for the convenience of other parties.

II. POLICY

- A. If the relocation or alteration is for the convenience of the parties making the request and is in no way beneficial to the Cooperative, the cost of said relocation or alterations shall be borne by the parties making the request.
- B. Parties requesting relocation of facilities shall be required to assist in obtaining any new or additional right-of-way easements necessary.
- C. The Cooperative reserves the right to refuse to move or alter facilities if the same is impractical and/or does not conform to standard engineering practices.

III. RESPONSIBILITY

- A. President & CEO
- B. VP of Line Services
